GENERAL INFORMATION

A COLLEGE WITH A DIFFERENCE

Dr. C. T. ABRAHAM, a great visionary who has had extensive experience in the field of higher education is the founder of Crossland College. He realized the need for educational institutions for the upliftment of the socially and economically handicapped people in the locality. The College has realized the dreams and aspirations of first generation learners of this locality for whom education was a distant dream.

Dr. C.T.Abraham who made a difference in the lives of many and an inspiration to many, passed away on October 08, 2009. Priority Highlands, the 30 acre beautiful campus is the home of Crossland College.

MANAGEMENT

Crossland College is sponsored and managed by the Priority One India Trust and the Priority Educational Foundation respectively. They are non-profitable Christian minority charitable Trusts working for the total welfare of the people of India. The India Theological Seminary which offers diploma and degree programmes in Bible studies and the Little Rock Indian School, an English medium School with CBSE Syllabus are also managed by these Trusts.

THE MOTTO

“Fear of the Lord is the beginning of wisdom”

CORE VALUES

- ◆ Family Atmosphere
- ◆ Affordable Quality Education
- ◆ Team Work
- ◆ Character Building

VISION

Excellence in Education and Service to God and Man.

MISSION STATEMENT

“The Crossland College strives to educate the rural and economically backward students of the Community, providing them excellent training for their total development, with the ultimate objective of bringing about the empowerment and enrichment of the community, through their service to God and Man.”

In imparting meaningful education and effectively serving the community, the college has closely moved in agreement with its ‘mission statement’.

OBJECTIVES

To provide quality higher educational opportunities to young men and women in and around Brahmavar and also the youth all over India.

To provide higher education that will build up national unity and international understanding.

To give opportunities to build up fear of God, patriotism and responsibility as citizens.

To develop a sense of dignity of labour through work experience.

To provide opportunity for the financially underprivileged youth for quality higher education by giving work on campus, in farms, mess etc. to earn money for their education.

To provide instruction in job-oriented courses.

THE FAMILY CONCEPT

The Founder believed that the family concept gave a good climate for education. He stressed the importance to have the feeling of oneness in a family. The students, staff and management of the college are all members of the ‘Crossland Family’. The College fosters an atmosphere of mutual trust, love and affection in the Campus.

MENTORING

The effects of globalisation have created enormous problems and distractions for the younger minds. We, the Crossland family believe that the parents and the teachers have to play a very important role. The College has a group of dedicated and highly motivated faculty, who are willing to go out of the way to help the students. We firmly believe that by loving our students we can reach out to them closely. Each faculty member is allotted 10-15 students. The mentor with constant counseling helps them to cope with their personal problems. This helps the students to be closer to their mentor. The mentor points out the strengths and areas for development in each student. He/she also helps the student to set long term career goals and short term learning objectives to enable them to perform effectively. It is our tradition that students are known by staff members and are called by name. Parents are also encouraged to meet the mentors of their children.

A Counseling room is in place for personal interaction between the lecturer and the student.

3. SCHEME OF EXAMINATIONS :

The College will hold monthly tests and periodical examinations to assess the students' academic progress, on the dates shown in the Calendar of this Handbook.

Pre-University Course:

In addition to the monthly tests, three examinations will be conducted during the year in October, December and February. The examination in February will be a preparatory/model examination before the final exams.

Choice Based Credit System:

The Mangalore University has introduced the choice based credit system in the undergraduate degree programmes effective from the academic year 2019-20.

Each course in a programme shall carry certain number of credits. Credits represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as the number of contact hours, the course content, teaching methodology, learning expectations, maximum marks etc. In the proposed programme, in general 2 hours of instructions per week in a semester is assigned one credit. In terms of evaluation one credit is equivalent to 50 marks in a semester. On this basis a three year degree programme will have a maximum of 100 or 104 credits.

Other features

1. The Degree course is to be replaced by 'Degree Programme' and the term subjectw/paper is to be replaced by course.
2. Each programme of study will have "Core Course", Electives (of Group II & III), Foundation Courses and Extra and Cocurricular activities.

Attendance in the Internal Assessment exams is compulsory and in normal circumstances a re-examination will not be conducted.

Duration of the Programmes:

The duration of Bachelor Degree Programmes shall be six semesters (three academic years) of 16 weeks each. Each semester shall consist of 16 weeks of study (excluding the time spent for the conduct of final examination of each semester).

Co-curricular and Extra Curricular Activities:

Participation of students in Co-and Extra curricular activities is considered to be an integral part of credit based semester system. A student shall opt any one of the following activities under this category during I to IV semester (1 Credit in each semester).

- a) N.S.S./N.C.C/Scouts and Guides/Rangers and Rovers
- b) Sports and Games
- c) Other Co-and Extra-Curricular Activities as prescribed by the University.

Internal Assessment :

The internal assessment marks shall be based on two tests. The average of the two shall be taken as the internal assessment marks.

Minimum for a pass :

No candidate shall be declared to have passed the Semester Examination as the case may be under Group I/Group II/Group III unless he/she obtains not less than 35% marks in written examination and 35% marks in the aggregate of written examination and internal assessment put together in each of the subjects, 35% marks in practical examination (for subjects with practicals) and 35% marks in Project work & viva (for vocational subjects) in each of the optional subjects.

In case a candidate fails in any subject, either in theory or practicals, he/she shall appear for theory or practicals of that failed subject only at any subsequent regular examination, within the maximum period prescribed for completing the programme. He/She must obtain the minimum marks for a pass in that subject (theory and practicals separately).

This mode of teaching isn't an interim solution and is expected to stay as education experts moot for blended learning. A combination of online and offline learning may become the new normal. The College is taking all necessary steps to make this shift a smooth one and to make online learning a meaningful experience for the students.
