GENERAL INFORMATION

A COLLEGE WITH A DIFFERENCE

Dr. C. T. ABRAHAM, a great visionary who has had extensive experience in the field of higher education is the founder of Crossland College. He realized the need for educational institutions for the upliftment of the socially and economically handicapped people in the locality. The College has realized the dreams and aspirations of first generation learners of this locality for whom education was a distant dream.

Dr. C.T.Abraham who made a difference in the lives of many and an inspiration to many, passed away on October 08, 2009. Priority Highlands, the 30 acre beautiful campus is the home of Crossland College.

THE MOTTO

“Fear of the Lord is the beginning of wisdom”

CORE VALUES

- ◆ Family Atmosphere
- ◆ Affordable Quality Education
- ◆ Team Work
- ◆ Character Building

VISION

Excellence in Education and Service to God and Man.

MISSION STATEMENT

“The Crossland College strives to educate the rural and economically backward students of the Community, providing them excellent training for their total development, with the ultimate objective of bringing about the empowerment and enrichment of the community, through their service to God and Man.”

In imparting meaningful education and effectively serving the community, the college has closely moved in agreement with its ‘mission statement’.

OBJECTIVES

To provide quality higher educational opportunities to young men and women in and around Brahmavar and also the youth all over India.

To provide higher education that will build up national unity and international understanding.

To give opportunities to build up fear of God, patriotism and responsibility as citizens.

To develop a sense of dignity of labour through work experience.

To provide opportunity for the financially underprivileged youth for quality higher education by giving work on campus, in farms, mess etc. to earn money for their education.

To provide instruction in job-oriented courses.

THE FAMILY CONCEPT

The Founder believed that the family concept gave a good climate for education. He stressed the importance to have the feeling of oneness in a family. The students, staff and management of the college are all members of the ‘Crossland Family’. The College fosters an atmosphere of mutual trust, love and affection in the Campus.

MENTORING

The effects of globalisation have created enormous problems and distractions for the younger minds. We, the Crossland family believe that the parents and the teachers have to play a very important role. The College has a group of dedicated and highly motivated faculty, who are willing to go out of the way to help the students. We firmly believe that by loving our students we can reach out to them closely. Each faculty member is allotted 10-15 students. The mentor with constant counseling helps them to cope with their personal problems. This helps the students to be closer to their mentor. The mentor points out the strengths and areas for development in each student. He/she also helps the student to set long term career goals and short term learning objectives to enable them to perform effectively. It is our tradition that students are known by staff members and are called by name. Parents are also encouraged to meet the mentors of their children.

A Counseling room is in place for personal interaction between the lecturer and the student.
